This Privacy Statement outlines our practices and your options when using our [specify applications, websites, and related services] (collectively, "Services"). By accessing or using our Services, you agree to the terms of this Privacy Statement.

## Information We Collect

### 1. Personal Information

Personal information refers to any information that can be used to identify you personally, such as your:

- Name
- Email address
- Employee number
- Date of Hire
- Any other relevant information that you provide through our Services, such as when you register, make a purchase, or contact support.

### 2. Non-Personal Information

We also collect non-personal information that does not, on its own, permit direct association with any specific individual. This information may include, but is not limited to:

- Your device type, settings, and software used
- Log information (e.g., your IP address, browser type, and operating system)
- Information about your interaction with our Services (e.g., date, time, frequency, and duration of access)
- Other aggregated or anonymized data

## How We Use Your Information

We use the information we collect for various purposes:

- To provide and improve our Services
- To communicate with you, respond to your inquiries, and meet your requests
- To send important notices, such as communications about purchases and changes to our terms and policies
- To conduct research and perform analysis to improve our customer service and product offerings
- To enforce our terms and conditions

## How We Share Your Information

## **1. Internal Sharing**

We limit access to your personal information to employees and contractors who need to know that information in order to process it on our behalf and who are subject to strict contractual confidentiality obligations.

## **2. Legal and Regulatory Requirements**

We may disclose your personal information if required to do so by law or in the good faith belief that such action is necessary to:

- Comply with a legal obligation
- Protect and defend the rights or property of [Your Company Name]
- Act in urgent circumstances to protect the personal safety of users of our Services or the public
- Protect against legal liability

## **3. No Sale of Personal Information**

We will not sell your personal information to third parties under any circumstances.

## **Security of Your Personal Information**

We take reasonable measures to protect your personal information from loss, theft, misuse, unauthorized access, disclosure, alteration, and destruction. We implement appropriate physical, technical, and administrative measures to secure the information you provide to us. However, no method of transmission over the Internet or method of electronic storage is 100% secure.

## **Access and Control of Your Information**

You have the right to access, correct, or delete your personal information maintained by us. You can manage your personal information by accessing your account via our Services, where allowed, or by contacting us directly.

## **Third-Party Services**

Our Services may contain links to third-party websites, products, and services. Information collected by third parties, which may include such things as location data or contact details, is governed by their privacy practices. We encourage you to learn about the privacy practices of those third parties.

## **Cookies and Other Technologies**

We use cookies and other technologies (e.g., web beacons, pixel tags) to enhance your experience and gather information about visitors and visits to our websites. You can choose to disable cookies on your browser, but doing so may affect the functionality and availability of our Services.

## **Changes to Our Privacy Statement**

We may update this Privacy Statement periodically. The date of the last revision appears at the top of this Privacy Statement. We will notify you of any changes by posting the updated privacy statement on our website and/or through other communications.
